"REPENT & BELIEVE IN THE GOOD NEWS, FOR THE KINGDOM OF GOD IS NEAR"

2000 years ago Jesus Christ, the only Son of God (St. John 1:14) was sent by the Heavenly Father on earth amidst us sinners as the Saviour (St. John 3:16-17): He offered His precious life on the cross, so **"that he might redeem us from all iniquity and purify for himself a people of his own who are zealous for good deeds."** (Titus 2:14) God wants that everyone who believes in Him may not die but have eternal life. God revealed Himself through Jesus who made it clear to His disciples by saying that whoever has seen him has seen the Father. Further, Jesus had pronounced that those who love Him will keep His word, His Father will love them, and He will reveal Himself to them, come and make His home with them. (Read St. John 14:21-23) This Word is getting fulfilled today because now is the time when Jesus, living among us, is revealing himself to those he loves, those who are closer to him in prayer, obedience & faith.

When Jesus started his public ministry at the age of 30, He came to Galilee, proclaiming, **"The time is fulfilled, and the Kingdom of God has come near; repent, and believe in the Good News."** (St. Mark 1:15) Truly and undoubtedly,

the Kingdom of God is near because you can still see the miracles which Jesus does through those whom He has chosen as His instruments (St. Luke 7:22) and even more, for Jesus had prophesied this to His disciples, **"..the one who believes in me will also do the works that I do and, in fact, will do greater works than these..."** (St. John 14:12-13) It is being performed here in a place chosen by God called **'JEEVAN DHAM'**.

Thousands of people have witnessed and experienced for themselves the **Power, Mercy, Peace and Love** of the Almighty God during the prayer service held here every Sunday. Many have recognized the true God, their eyes and ears have been opened through the miracles they have seen for themselves and through the visions that they get from God. People have turned from darkness to light, from staunch unbelief to strong, unwavering faith, from a sinful life to a New Life of sanctity and righteousness because the merciful Lord hears their prayers. He comes to their rescue, fulfils their needs and provides them with precious gifts from Heaven.

The doors of Heaven are opened and God pours blessings from above, like a dew, like snow flakes falling softly to the ground, upon the believers - the poor and the illiterate, who come here

with strong faith, believe in His Word and teachings without questioning, without any doubt (St. James 1:5-8).

Four thousand to five thousand people, almost all of them non-Christians, gather here every Sunday to listen to God's Word and spend some time in prayer of praise and thanksgiving. About 60 percent of them are those who attend the prayer service for the first time.

But the question here is whether you have been to this chosen place and received blessings in abundance through your faith, whether you are still looking for deliverance from your problems, illnesses, weaknesses, debts, sins & tensions? Jesus is here to welcome you with arms wide open, ready to receive you even if you feel yourselves unworthy because of the sins that you have committed in the past. Don't you worry. God receives everyone with a humble and contrite heart. He came on earth to call the sinners and the outcasts, not the righteous, back to the Father's

THE MOST PRECIOUS BLOOD OF JESUS FALLS IN JEEVAN DHAM

**G

is present here 24 HOURS.
A snapshot of the number 24 taken (magnified) from a Digital Camera.

AN AWE-INSPIRING PHENOMENON:

Jeevan Dham... 16 August 2003: In the morning... I woke up and found two tiny droplets of **blood** between my left hand's fore and middle finger. It was fresh and sparkling and it left me breathless for a moment. Then I found an impression made by several distinct **blood**

droplets on my pyjamas near my right knee.

The question that first struck me was from where had this **blood** fell on my finger and my pyjamas and that too early in the morning. All three of us in the family were flabbergasted. Looking inquisitively all around, we soon found two

similar vivid **blood** patterns about 2ft. away from each other on the left side of our altar. Out of curiosity and reverence, we all started praying to God in order to know His message and will for us by this mysterious sign. Through the grace and mercy of God, in a little while, mummy got the following **visions**:

Mother Teresa knelt down facing the altar and praying with a bunch of flowers in her hand, # The Archangel Michael ('The Defender') standing at the door entrance holding a sword to fight and defeat Satan (Rev 12:7-8) and other angels standing around me where I was sleeping to protect me, #An innocent Lamb standing near the altar, and # Mother Mary showering flowers from Heaven. (This day was a Saturday, the day dedicated to Mother's devotion) From all these visions we understood clearly that it was indeed the **Most Precious Blood** of our Lord Jesus, the Lamb of God(**St. John 1:29**) shed for us sinners for our salvation, to make us believe that He is still alive and is present among us to protect us from all harm and evil powers.

Keeping all this in mind we started the daily morning prayer at 9:30a.m. But then another vision distracted mummy's attention from the rosary. *God showed her the number 24 again and again.* Later, she saw God pointing her to the place where the **blood** patterns had been made. To have a closer and clearer view of the pattern, we got a lens and gave it to her. And the revelation unfolded now - the **blood** patterns were nothing but the number **24** written in a precise manner like a seal at both the places. Everyone present there saw the same number clearly through the lens. Some started weeping while others were dumbfounded and awestruck. Never before had anyone heard or seen such an apparent miracle. Certainly, this was a magnificent, vivid and unique sign. But the question arose, "What is the significance of this number **24**?" "Only He knows it. Still we can surely

pray and ask Him to reveal to us the implications of this sign?", I said. We praised Him again. In reply, she got a clear message in vision, "**I am present here 24 hours.**" This implies that Jesus is present here all the time every day, every hour, every minute. Later, she saw that this number was written by the Holy Spirit in the form of a white dove with its beak soaked in the **Most Precious Blood** of Our Lord. What a precious, unforgettable, awe-inspiring gift has He given in true love to us unworthy sinners. It is a seal of protection and purification thereby sanctifying the whole place and redeeming us from our sins. (**Read Romans 5:6-11, Hebrews 10:10**) It is a seal of ownership as it is written in the Book of Revelation, "**You are worthy to take the scroll and to open its seals, for you were slaughtered and by your blood you ransomed for God saints from every tribe and language, and people and nation...**"(Rev 5:9)

Therefore from the month of September, 24 hours of continuous adoration was started there (H.no.696/Sec-22, Faridabad) and is still going on with the grace and strength given by God. The door to the prayer room is always open for all and you too can join us in prayers to make it more powerful and beneficial. What the prophet Isaiah had prophesied several centuries ago is proving now to be correct here,

"I am coming to gather all nations and tongues; and they shall come and shall see my glory, and I will set a sign among them...From new moon to new moon, and from Sabbath to Sabbath, all flesh shall come to worship before me, says the LORD." (Read Isaiah 66:18-23)

Though this is not the first time that the **Precious Blood** of our Lord has fallen here, yet this is the first time that something (the number 24) is written in **blood**. Earlier, on April 7, 2002 on a cloth (on which the word "**Alleluia**" in Hindi was embroidered) two drops of **blood** fell during the Holy Mass and the second time in the month of December(8 months later)

one day early morning. For more details log on to - www.jeevandham.com/bloodmiracles.htm

Now since it is the **Most Precious Blood** of Jesus, our Saviour, and no one else's, it has become the centre of miracles, the holy place of healing. We already have two witnesses, who were healed with the touch of this **Precious Blood**.

One of them is a volunteer of Jeevan Dham, Stella Figarado (age-50yrs.), who had a tumour below her armpit for the past one-and-a-half years. One day while praying here, she had kept her hand on the place where the **Precious Blood** had fallen and begged God to heal her with a humble and contrite heart. After a while, she touched her tumour with this hand. And within three days her tumour smoothed off and disappeared completely.

The other witness is of a gentleman who came here with faith and zeal for the first time from Chandigarh after he had heard about these miracles and more happening here. When he was told of the no. **24** written in the most **Precious Blood** of Jesus, he started weeping bitterly. He knelt down and

with the lens tried to get a clearer view of the number. And while he was adjusting the lens, he regained his eyesight and exclaimed in astonishment, "*I can see! I can see!..!*

Jesus said, "I am the bread of life. Whoever comes to me will never be hungry, and whoever believes in me will never be thirsty." (St. John 6:35)

can see Jesus!" When we asked him what's so strange about that, he told us that his left eye was suffering from a cataract and the doctor in Chandigarh had recommended him for an eye operation (without 100% guarantee) the previous day. But right now he could see very well with his right eye closed. Later, he said that now he doesn't even need the glasses to see clearly. Besides, when he was praying fervently with his eyes closed he saw the Holy Spirit in a vision, in the form of a white dove, which fluttered its wings & rested on the box below which the no. 24 is written. He was so touched with all this that he could not stop himself from crying out of joy & gratitude. Now he could see the no. 24 too very well clearly. Praise the Lord!

"Great and amazing are your deeds, Lord God the Almighty! Just and true are your ways, King of the nations! Lord, who will not fear and glorify your name? For you alone are holy. All nations will come and worship before you, for your judgments have been revealed."
(Rev 15:3-4) SONY

**NOVENA PRAYER
TO THE PRECIOUS
BLOOD OF JESUS**

O Jesus, Who have said, "Ask, and it shall be given to you; seek, and you shall find; knock, and it shall be opened to you," with Mary, Your Most Holy Mother, and through the merits of Your **Most Precious Blood**, I seek, I knock, and I ask that my prayers be heard.

Glory be to the Father...

O Jesus, Who have said, "If you ask the Father in My Name, He will give it to you," with Mary, Your Most Holy Mother, and through the merits of Your **Most Precious Blood**, I humbly and earnestly ask that my prayers may be heard.

Glory be to the Father...

ETERNAL FATHER, I offer You the **Most Precious Blood** of Jesus Christ, the merits, love and sufferings of His Sacred Heart, the tears and sorrows of our Immaculate Mother, as the price of the favour I wish to obtain from Your Infinite Goodness. Amen.

bosom. **(St. Mark 2:17)** He never rejects or condemns anyone who is ready to amend his ways, who turns towards God.

As we are entering the Lenten season of fasting & prayer (starting **Feb. 25-Ash Wednesday**), we should take a closer look at ourselves. We should focus more specifically on putting sin out of our lives. Further more, we should repent for past sins; repent in the true sense to prevent our loving relationship with the Creator, God being weakened or severed. We need to go through an effective method of repentance, with the zeal and desire to change. But what is real repentance?

Some people think that repentance is **remorse**, just the feeling that you committed an infraction against God's standards, but that's a little wide of the mark. Some on the other hand think that repentance is **regret**, wishing we hadn't done it. A lot of us live like that when we've sinned, but that's not true repentance either. Remember Pontius Pilate, washing his hands in a basin of water. Did he repent for sending Jesus to the cross?

(St. Matthew 27:24)

Still others think repentance is **reform**. In other words, turning over a new leaf, just going to try harder and do better, but that is not true repentance either. Judas Iscariot reformed. He took the thirty pieces of silver and went back, throwing them down the corridors of the temple. **(St. Matthew 27:5)** He didn't repent. He only gave back what he'd taken. Repentance means a change of mind, a change of our heart to go a different way. It's when our volition is transformed. It's when our will is changed. And what will happen if our will is changed? Our actions will likewise be changed.

Real Repentance, then, can be defined like this:

** "Repentance is a change of mind and attitude. It is a change from this carnal attitude of hostility toward God, from rebellion against God's law to attitudes of love, submission, obedience, and worship of God and reliance on him. It is an about-face in attitude, intent on the way of God's righteousness. To repent means a total change of attitude and heart, for God's spirit will dwell only in such a mind."*

'LIVING WITNESSES' OF GOD IN JEEVAN DHAM

HE HEALED AND SAVED MY DISEASED LEG WITH HIS WORD

I, Jaiveer Singh (age – 40 years), was facing a severe problem with my left leg for the last 12 years. At first, the toes went numb unexpectedly and this numbness spread and rose upwards slowly and slowly till my knees. One thing more - If I happened to step over a pebble or some rough object, I had to lie down then and there, as this would send a strong electric current upwards making me totally helpless. This was the condition of my leg. Several doctors could not even diagnose the root cause of this problem. I took the treatment from E.S.I. Hospital (a govt. hospital), Faridabad for more than 2 years but it didn't give me any relief. The doctors hence recommended me to the A.I.I.M.S. (All India Institute of Medical Science), New Delhi. The doctors here too took several tests, X-rays and found that the blood circulation in the nerves below my knees was nil, as all the nerves were

Jesus said, "I am the resurrection & the life. Those who believe in me, even though they die, will live..." (St. John 11:25)

completely blocked. I took their treatment for about 4 years without getting any respite. So, the doctors recommended an operation in which they had to cutoff my leg from the knees and then open all my blocked nerves. Otherwise, they said, this blockage would remain as it is or may spread further upwards. Nevertheless, it was already getting on my nerves and I was totally sick & tired of all the medicines that I had been taking for the past 6 years. Therefore, I did not have any confidence in the success of the operation either. Besides, I would prefer to remain in the present condition rather than let my leg be cutoff and walk with the help of a stick or callipers. Hence I came back home depressed and helpless. I had ended up spending my money on all sorts of treatment with the situation of my leg remaining the same as it was 10 years ago.

Then one fine day (about a month before) one of my neighbours told me about this place and about the innumerable miracles that happen here. I made up my mind to have a try here too. The following Sunday I came here and saw all that happened here and this induced faith in me. After the prayer service I felt a little better. When I came here the next time, 'behanji' (the lady chosen and blessed by God who preaches and proclaims the Word of God and announces the healings taking place as seen in the vision) announced, 'Merciful Lord is blessing one brother whose nerves in the leg are blocked and therefore there is no blood circulation. If anyone having such problem feels better, he can come on the stage to give away his witness.' I knew out of faith that she was mentioning about me and no one else and indeed that day my numb leg was completely healed and brought back to the normal state only by God's grace. From that day onwards I could walk with confidence anywhere, anytime. God heard my prayers, healed and saved my diseased leg and strengthened my faith in Him. Yesterday, I even saw Him in a vision when I was lying down getting ready to sleep. He caressed my leg and asked me, "Son, How are you? Is your leg alright?" And then He disappeared walking away to the mountains. So, I have come here to-

"THE WORD OF GOD IS OUR STRENGTH" - ALL THESE BEDRIDDEN PERSONS CAME UP TO GIVE THEIR WITNESSES ON STAGE

day (Sunday) to give my witness and praise to God. Alleluia! **Jaiveer Singh,** Faridabad.

"O Lord my God, I cried to you for help, and you have healed me."
